

COROLLA

# A NEW ERA FOR COROLLA

DISCOVER THE WORLD'S BEST-SELLING CAR

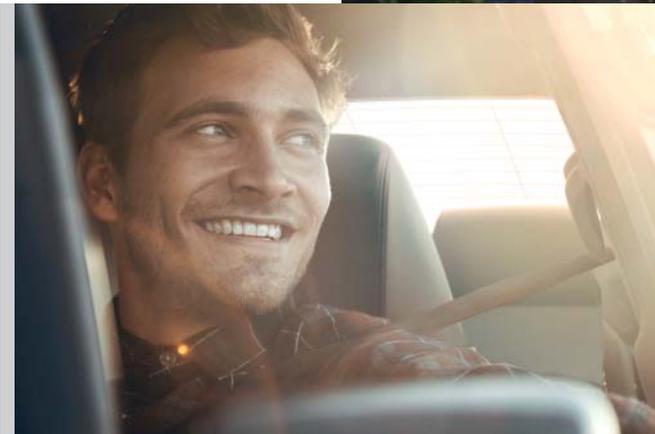

# IT'S TIME TO CHOOSE HYBRID

**YOU'LL LOVE THE SPIRITED DRIVE OF THE COROLLA**

Toyota Hybrids are a pleasure to drive. They're incredibly smooth and very responsive – and when you're driving through cities or towns, you enjoy the blissful silence of the all-electric mode. They also save fuel and reduce emissions, while still being as easy to drive as a conventional car. And because they're self-charging, you never have to plug them in. So it's no surprise that Toyota Hybrids have been chosen by over 12 million drivers around the world.

## 2.0 LITRE HYBRID A JOY TO DRIVE

Hybrid never felt so good. The 2.0 litre Hybrid Dynamic Force engine\* developed for Corolla takes Hybrid to an exciting new level, delivering plenty of power and effortless acceleration for a spirited and dynamic drive that makes even the most everyday journey a joy.

\* GR SPORT and TREK only.

## EXPERT CORNERING EMBRACE THE DRIVE

TNGA gives Corolla Hybrid a low centre of gravity that reduces body roll, providing extra control when cornering. A highly rigid body helps to enhance ride comfort, while the double wishbone suspension absorbs shocks from bumps in the road more effectively, making the ride even smoother.

# A MORE REWARDING DRIVING EXPERIENCE

ENJOY A CAR THAT MAKES DRIVING FUN

At Toyota, we're committed to making ever better cars. That's why we've introduced Toyota New Global Architecture (TNGA) – a platform that delivers excellent performance. The difference is clear from the moment you get behind the wheel, with excellent handling and stability making the drive even more rewarding. Sit back and enjoy the journey.

# DESIGNED TO TURN HEADS

THE COROLLA IS STRIKING FROM ALL ANGLES

The first thing you notice about the Corolla is its bold and dynamic exterior, which can be made even more eye-catching with a selection from our bi-tone paint options. An attractive low bonnet gives it a sleek profile. The front and rear views reveal the car's powerful wide stance, emphasised by a wide, sporty grille and stylish all-LED lamps.

## LED HEADLAMPS SIMPLY BRILLIANT

Both headlamps and rear lamps are LEDs, providing excellent power and visibility while using very little energy.

## AMBIENT LIGHTING SETTING THE MOOD

Nothing does more for a space than light, and the Corolla features ambient interior lighting\* throughout the cabin. The light is a cool shade of blue, giving the interior a stylish, sporty feel. It's a subtle touch – one of many that make this a car you'll love spending time in.

## A SENSE OF STYLE

ENJOY A BEAUTIFULLY DESIGNED INTERIOR

If you think the Corolla looks good on the outside, just wait until you get into the car. Our designers have chosen a combination of high quality materials that look stunning together – and also provide a pleasing variety of textures. An all-black look gives the interior a sporty feel, or you can choose a cool grey<sup>§</sup> that underlines the spacious and uncluttered design.

\* Standard on Luna Sport & Sol.

§ Standard on Sol.

## SIT BACK AND RELAX

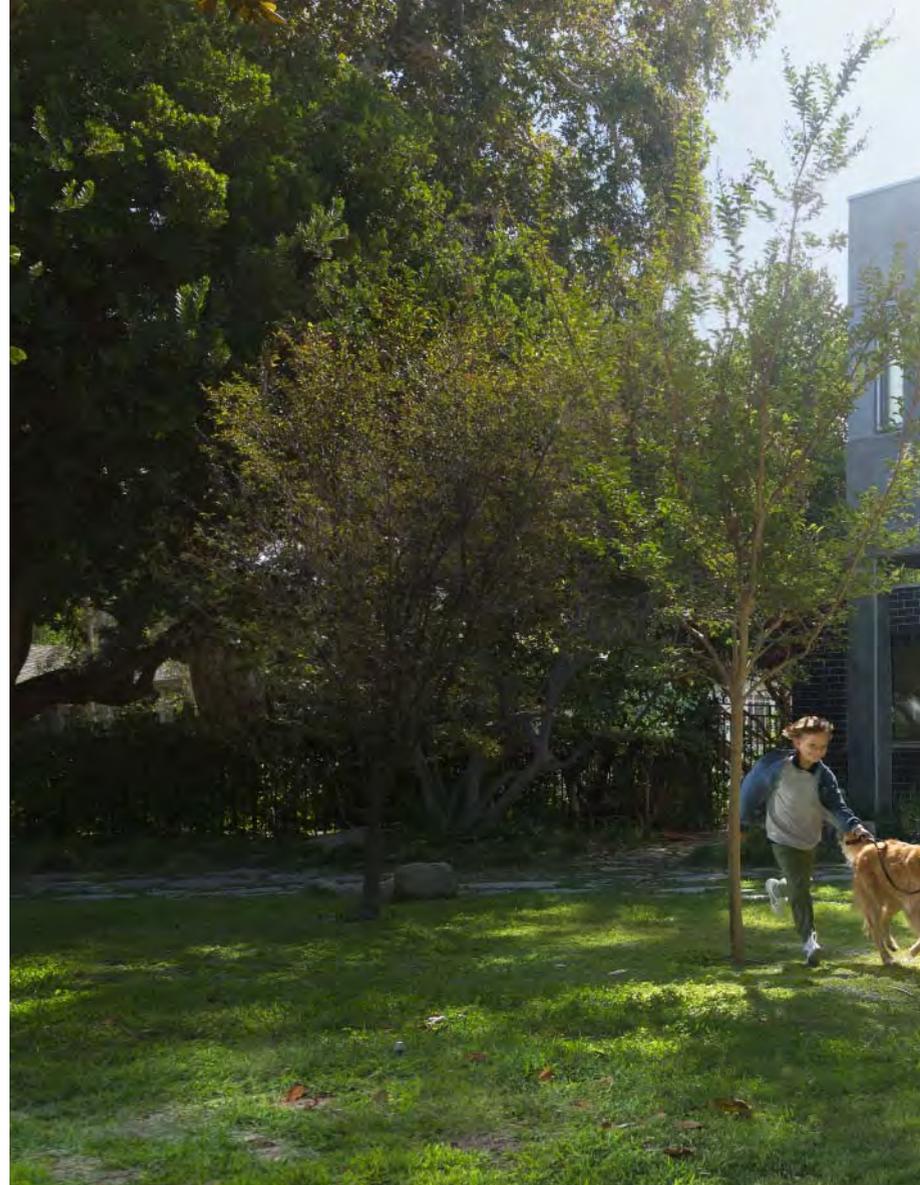

EVERY JOURNEY PUTS YOU AT EASE

The cabin of the Corolla has been designed around your comfort. The steering position has been designed to feel as natural as possible, helping to avoid fatigue. Steering-wheel-mounted switches for driving, infotainment and audio controls are within easy reach. A 7" information display on the instrument panel includes an EV Driving Time indicator, which enables you to track how much you are driving in EV Mode.

# SPACE FOR ALL THE FAMILY

## DESIGNED AROUND YOUR LIFESTYLE

The Corolla Touring Sports gives you the space you need, where you need it, and has heated front seats\* for those colder days. It makes the rear passengers just as comfortable as the people in the front, thanks to plenty of leg room and a continuation of the ambient lighting\*. And whether you're taking a bicycle, golf bags or the whole family's luggage, the generous boot space is versatile enough to fit it in easily, thanks to an adjustable deck board, handy side pockets and easily folded seats.

# THE INNOVATIVE TOYOTA SAFETY SENSE

RELAX AND ENJOY REAL PEACE OF MIND

Everything we do starts with your safety. For instance, the innovative Toyota Safety Sense package anticipates potential hazards and helps you respond more effectively. Also part of the comprehensive suite of safety features is the full-range Adaptive Cruise Control. This, together with Hybrid technology and its automatic transmission, delivers a smooth and hassle-free drive – perfect for the city. So you can be sure that you and your passengers are even safer and more relaxed than ever before.

## TOYOTA SAFETY SENSE INTELLIGENT ASSISTANCE

### 1. Automatic High Beam

Detects the lights of oncoming vehicles. It switches automatically between high and low beam.

### 2. Road Sign Assist

Monitors the road signs ahead, displaying useful information such as the current speed limit on the TFT cockpit display.

### 3. Pre-Collision System with Night-time Pedestrian Detection

Detects other vehicles and pedestrians in the car's path in low light. If a collision is judged to be imminent, the driver is alerted. If the driver fails to respond in time, the brakes engage automatically.

### 4. Pre-Collision System with Daytime Cyclist Detection

Detects cyclists and vehicles in the road ahead. When the possibility of a collision is detected, the driver is alerted. If the driver doesn't react, the brakes engage automatically.

### 5. Full-range Adaptive Cruise Control

Enables the car to maintain a constant speed without the use of the accelerator pedal. If this distance falls, it reduces speed to preserve the distance between the car and the vehicle ahead.

### 6. Lane Trace Assist

To position itself in the road, the car uses either lane markings or the driving path of the vehicle ahead. If the car begins to drift from the centre of the lane unintentionally, steering assist is applied to correct its course.

## TWO HYBRID ENGINES THE CHOICE IS YOURS

You have a choice of two Hybrid engines. The 1.8 litre Hybrid provides the smooth, silent drive you'd expect from Toyota. The 2.0 litre Hybrid Dynamic Force gives you extra power and effortless acceleration for an energising and agile drive. Whichever you choose, you'll always look forward to the next journey in your Corolla.

e-CVT = electronically controlled  
Continuously Variable Transmission  
\* Combined cycle using WLTP data.

# WE CHOOSE FREEDOM

## EXPERIENCE THE COROLLA

The world is choosing Hybrid, and the Corolla takes the Toyota Hybrid system to the next level. Engine response has been enhanced and output from the hybrid battery has been increased, providing excellent responsiveness for an exhilarating driving experience. In addition, the electric motors and enhanced engine efficiency help to improve fuel consumption and reduce emissions even further. This is a car that delivers outstanding performance, efficiency and pure driving pleasure.

## FEATURES

# LUNA

### Main features

- Toyota Safety Sense 2
  - Pre-Collision System with Pedestrian day & night-time and Cyclist daytime Detection
  - Road Sign Assist
  - Automatic High Beam
  - Intelligent Adaptive Cruise Control
  - Full-range Adaptive Cruise Control
  - Lane Trace Assist
- 16" alloy wheels
- 8" Toyota Touch system
- Apple CarPlay / Android Auto™
- Digital Audio Broadcast (DAB)
- Rear-view camera
- Dual zone climate control
- 7" TFT information screen
- LED front fog lamps
- LED headlamps
- LED daytime running lights
- LED rear lights
- Power, coloured, heated door mirrors
- Passenger front seat manual height adjustment
- Rear armrest
- Illuminated entry
- Dusk sensor
- Painted lower radiator grille
- eCall emergency call system

### Main features Luna Touring Sports

- (additional to Luna Hatchback)
- Aluminium roof rails
  - Tonneau cover
  - Luggage room separator

HIGH QUALITY  
EQUIPMENT  
AND A REFINED  
INTERIOR

## FEATURES

# LUNA SPORT

Main features 1.8 Hybrid Luna Sport (additional to Luna)

- Available only as Bi-tone (body colour & black roof)
- 17" alloy wheels (10-spoke)
- Dark grey quilted fabric with synthetic leather elements on bolsters
- Bi-LED headlamps
- Power-retractable, heated door mirrors
- Rear privacy glass
- Rain sensor (wipers)
- Electrochromatic mirror (auto-dimming)
- Textured chrome insert on dashboard
- Light blue ambient lighting on open tray, front cup holders and front doors

A SMART  
BI-TONE  
LOOK AND AN  
IRRESISTIBLE  
INTERIOR

## FEATURES

# SOL

### Main features Sol Hatchback (additional to Luna Sport)

- Monotone body colour
- 17" alloy wheels
- Smart Entry
- Satellite navigation
- Heated front seats
- Driver seat power lumbar support
- Chrome insert on dashboard
- Satin insert on front door assist grips

### Main features Sol Touring Sports (additional to Sol Hatchback)

- Tonneau cover
- Luggage room separator
- LED luggage room lamp

A SOPHISTICATED  
COMBINATION  
OF STYLE AND  
EQUIPMENT

# INSPIRED BY TOYOTA GAZOO RACING

Sporty, dynamic and ready to go: from the hot-stamped grille with a lower skirt and piano black surround to the bold rear diffuser, eye-catching details like the GR red wheel cap rings and side rockers with black inserts reinforce the athletic credentials of this striking Corolla.

## FEATURES

# GR SPORT

### Main features (additional to Luna Sport)

- Available as Bi-tone (body colour & black roof)
- 18" bi-tone black and machined-face alloy wheels (10-spoke)
- Red small centre cap surrounds
- Dark chrome lower front grille
- Rear bumper with satin silver inserts
- GR SPORT badge on boot door
- Body-coloured rocker panel with piano black insert
- Grey fabric with black leather-like bolsters & satin chrome ornament
- 3-spoke partially perforated leather steering wheel
- Red stitching on steering wheel
- GR SPORT door scuff plates
- Day-night rear-view mirror

## FEATURES

## TREK

## Main features

- 18" black machined-face alloy wheels (5-double-spoke)
- Black perforated leather with grey stitching
- Paddle shifts
- Satin chrome insert on dashboard
- Chrome window frame
- TREK door scuff plates
- TREK badge on boot door
- Black wheel arch moulding
- Silver front & rear under-runs
- Black rocker panel with silver inserts
- Dual exhaust pipes

# THE FINAL TOUCHES

## CHOOSE YOUR ACCESSORIES

Genuine Toyota accessories are designed with the same care and attention to quality and detail as your Corolla. They will help to give you the opportunity to add your own stylish, practical and innovative touch.

## STYLE PACK\*

The Corolla's lines are sporty and dynamic. The Chrome Pack is an ideal way to give those looks subtle yet unmistakable highlights.

### Front bumper garnish

This distinctive chrome garnish gives the front bumper and grille extra definition and style.

### Side sills

Highlight the aerodynamic contours of your Corolla with a touch of perfectly integrated chrome.

### Aluminium Scuff Plates

Genuine scuff plates for the door sills create an immediate impression of style while protecting the sill paintwork.

## COLOUR PACK\*

The Colour Pack, available in Red or Black, is subtle and understated, distinctive and confident. It is the ideal way to emphasise your Corolla's sleek, refined style.

### Side sills

This touch of black underscores the smooth contours of your Corolla, and integrates seamlessly.

### Rear upper boot garnish

A subtle signature for your Corolla's boot which adds a flourish of refinement.

## PROTECTION PACK\*

### Rubber Floor Mats

Genuine tailored-fit rubber floor mats help to protect your carpets against dirt, mud and water. They can be removed for easy cleaning.

### Rear Bumper Protection Plate

Protect your rear bumper and boot area paintwork from scuffs and scratches when loading the boot.

## TOWBAR & REAR PARKING SENSORS\*

### Towbar

The detachable towing hitch gives you the ideal capacity to tow a small boat, caravan or trailer.

### Rear Parking Sensors

Rear parking sensor system with 4 ultrasonic sensors and an acoustic warning.

## CARE PACK\*

Your Corolla's a great looking car and the Care Pack will help to keep it that way.

### Mud Flaps

For both front and rear wheel arches, these will minimise the amount of mud, water and stones which can get thrown up against the car's body.

### Boot Liner

This anti-slip boot liner fits perfectly in your Corolla's boot to protect it from dirt, spills and muddy paws.

### Wheel Lock Nuts

Replacing one nut on each wheel will maximise security for your valuable alloys.

The accessories above are a small selection from our wide range.

Depending on your needs and wishes, the following Toyota accessories can help you out: Be safer with a Toyota parking aid and a child restraint seat. Be more connected with a Toyota navigation unit. Enjoy basic comfort with a storage box or ashtray.

## HOLIDAY PACK\*

You need all the extra storage space you can get when you go on holiday, whether it's for clothes or sports equipment. The Holiday Pack has all you need to make the most of your summer and winter breaks.

### Cross bars

These aerodynamic, lockable cross bars click easily onto the roof rails on your Corolla. They can be used with a wide range of other attachments.

### Thule Pacific 200 roof box (internal volume 410 litres)

This secure, streamlined roof box fitted to your vehicle increases versatility and practicality. Roof boxes are the perfect solution for families looking for more space when going on holiday.

The fuel consumption and CO<sub>2</sub> values are measured in a controlled environment on a representative production model, in accordance with the requirements of the WLTP European Regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption and CO<sub>2</sub> values may be calculated based on the ordered optional equipment. The fuel consumption and CO<sub>2</sub> values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption and CO<sub>2</sub> emissions. For more information regarding the WLTP test method, please visit: <https://www.toyota-europe.com/world-of-toyota/feel/environment/worldwide-harmonized-light>

# TOYOTA 2050 ENVIRONMENTAL CHALLENGE & ENVIRONMENTAL LIFECYCLE POLICY

At Toyota, we want to go beyond zero environmental impact and leave the world in a better place than we found it. To make that happen, we have set ourselves six challenges to complete by 2050. Each one presents its own difficulties, but we are committed to generating a positive and sustainable impact on society and the natural world as a whole.

## CHALLENGE 1 NEW VEHICLE ZERO CO<sub>2</sub> EMISSIONS

By 2050, we want to reduce the CO<sub>2</sub> emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

## CHALLENGE 4 MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

## CHALLENGE 2 LIFE CYCLE ZERO CO<sub>2</sub> EMISSIONS

We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle\*.

## CHALLENGE 5 ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota Corolla is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'.

For more information regarding Toyota Environmental Challenge please visit: [www.toyota.ie](http://www.toyota.ie) or contact your local Toyota dealer.

\* Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

## CHALLENGE 3 PLANT ZERO CO<sub>2</sub> EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

## CHALLENGE 6 ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

The Toyota Corolla is built to the highest quality standards at TMUK in Burnaston, United Kingdom.

# YOUR COMPLETE PEACE OF MIND WITH TOYOTA

## HYBRID SERVICE PROGRAMME

Hybrid Battery Extra Care cover<sup>§</sup> on an annual/15,000 km basis (whichever comes sooner) up to the 15th year from vehicle registration date.

## QUALITY SERVICE

Your Toyota will need a Health & Safety check at least once every 2 years/30,000 km (whichever comes sooner). An intermediate check is necessary every year or 15,000 km.

## LOW MAINTENANCE COSTS

All Toyota vehicles are designed and engineered to minimise your maintenance costs.

## GENUINE PARTS

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle.

## COMPREHENSIVE WARRANTY

Every new Toyota comes with a 3-year/100,000 km vehicle warranty<sup>§</sup> and a 5-year/100,000km warranty on Hybrid components for Hybrid vehicles, which covers any defect caused by a manufacturing fault\*\*.

## ADDED SECURITY

Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test.

## TOYOTA EURO CARE

Enjoy peace of mind driving with complimentary Toyota Eurocare roadside assistance in 40 European countries for 3 years.

## GENUINE ACCESSORIES

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. All accessories are covered by a 3-year warranty when purchased together with the vehicle<sup>§</sup>.

For more information on peace of mind visit: [www.toyota.ie](http://www.toyota.ie)

<sup>§</sup> Check with your dealer for specific Toyota Hybrid Service Programme details. <sup>§</sup> Check with your dealer for specific warranty details. <sup>\*\*</sup> Transport to the nearest authorised Toyota repairer will also be covered. In addition the 3-year/unlimited mileage paint warranty protects against defects and surface rust caused by a manufacturing fault. Every new Toyota is covered by a 12-year anti-corrosion (not valid for commercial vehicles) warranty against perforation of body panels caused by a manufacturing fault in materials or workmanship.

# THE COROLLA HYBRID FAMILY

**THE CHOICE IS YOURS**

An exciting journey lies ahead with the dynamic Corolla Hatchback and practical Touring Sports, providing choices ideal for every kind of driver. So whichever body type you choose, you'll benefit from Corolla's illustrious reputation, as well as Toyota's self-charging Hybrid.
